

NON-CERTIFICATION ACTIVITIES BUSINESS POLICY

- AUS-QUAL may enter into contracts to provide services (including products) that are outside of the scope of its accreditation by JAS-ANZ.
- Prior to entering into any such contracts, AUS-QUAL shall ensure that the provision of the services will not conflict with any requirement of a certification body accredited by JAS-ANZ.
- Where the services provided are simply auditing, assessing or public training, AUS-QUAL may use its own staff, contractors or subcontractors.
- Where the services provided are broader than simply auditing, assessing and / or public training, AUS-QUAL will put in place measures that ensure there is no potential for conflict of interest with its certification activities. As a general rule, AUS-QUAL will subcontract the operation and management of non-certification activity business to AUS-MEAT Limited
